

Manny Sammons

April 19, 2024

Manny, 14 (2010 - 2024), crossed over the rainbow bridge on Friday, April 19, 2024 surrounded by his two dads Paul and Jon; and k-9 beagle sister Sophie. Manny was adopted in 2012 from the Sangamon County Animal Shelter at the young age of two years old.

Manny had the best life. He enjoyed hanging out at Starbucks on cool summer evenings, tag teaming with his sister trying to get rabbits out of the bushes or trying to do a sneak attack on the squirrels. He enjoyed going on road trips on several occasions especially to Minnesota, Chicago, Columbia, MO, and several trips to Quincy, Mt. Vernon and Sullivan. When he wasn't doing any of the above he enjoyed sitting on his ottoman and being the neighborhood watchdog and barking at the UPS, FedEx or mailman and the garbage man. When he wasn't doing his famous "Aroo" he enjoyed laying in his favorite chair or laying on the couch taking a nap.

In addition to his two dads and beagle k-9 sister Sophie, Manny is survived by grandparents; several aunts and uncles; and k-9 cousins.

Private cremation was provided by Butler Pet Services.
